GRUSSWORT

Dear Colleagues,

Coming up for the seventh time in September 2020: »Master of Disaster«. Due to Covid-19, we have modified our format this year: We cordially invite you to come to Essen (limited number of seats) – or to participate ONLINE. The online participation is FREE OF CHARGE.

After last years' great success, we continue the course of our international symposium. The pre-program – consisting of the workshops Gynecologic Oncology and Breast Surgery – will be available on demand from Thursday on.

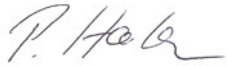

In the main program on Friday and Saturday, outstanding representatives from our international and national cooperation partners will give their lectures (also recorded). Afterwards, we will discuss the topics live in the auditorium in Essen.

We are looking forward to welcoming you in person in Essen – as well as online.

Yours sincerely,

Prof. Dr. med. Sherko Kümmel

PD Dr. med. Philipp Harter

Prof. Dr. med. Dr. h.c. Andreas du Bois

GRUSSWORT

Liebe Kolleginnen und Kollegen,

zum siebten Mal heißt es im September 2020 wieder: »Master of Disaster«. Aufgrund Covid-19 ändern wir dieses Jahr unser Format: Wir laden Sie ganz herzlich sowohl nach Essen ein (limitierte Plätze) – als auch zur Teilnahme ONLINE. Die Teilnahme online ist KOSTENFREI.

Nach all den erfolgreichen Jahren setzen wir den Kurs unseres internationalen Symposiums fort. Das Vorprogramm – die Workshops der Gynäkologischen Onkologie und der Brustchirurgie – werden Ihnen als aufgezeichnete Vorträge ab Donnerstag on demand zur Verfügung gestellt. Im Hauptprogramm am Freitag und Samstag referieren dann herausragende Vertreter unserer internationalen und nationalen Kooperationspartner. Im Anschluss an die (ebenfalls aufgezeichneten) Vorträge diskutieren wir im Essener Auditorium live die Inhalte.

Wir würden uns freuen, Sie persönlich in Essen wie auch online begrüßen zu dürfen.

Herzlichst Ihre

Prof. Dr. med. Sherko Kümmel

PD Dr. med. Philipp Harter

Prof. Dr. med. Dr. h.c. Andreas du Bois
